LINGO 3

EXPLORE LANGUAGE

Lingo 3 eliminates language barriers for readers of all ages with super-fast translation and extensive online features. Unlock the world of words!

C-Pen Lingo 3 is the latest in a line of successful Modern Foreign Language learning aids by C-Pen. It's a reading assistant for language learners: using built-in translation features, it improves vocabulary acquisition and comprehension, and allows language-learners to work more independently with confidence.

By using C-Pen Lingo 3, schools don't have to invest in human readers or language support assistants, saving them money and administration time – and teacher bandwidth gets a welcome boost, too. So that's lower demand and better Modern Foreign Language grades at a fraction of the cost!
