READER 3

ACHIEVE YOUR READING GOALS

A reading pen with multiple dictionaries and word practice mode. Empower independent learning for all ages!

C-Pen Reader 3 is the latest in a line of successful award-winning reading aids by C-Pen. It nurtures reading confidence with text-to-speech support, instant definitions, practice features and scan-to-file functionality.

By using C-Pen Reader 3, schools don't have to invest in human readers, saving them money and administration time – and teacher bandwidth gets a welcome boost. So that's lower demand, higher reading confidence and independence, and better grades.
